

Dear colleagues!

The organizing committee of ITESP-2019 invites you to participate in the VII International Scientific and Practical Conference «Information Technologies in Education, Science and Production».

The main directions of the conference:

1. Methodological principles of implementing information technologies in education.
2. Problems of training of specialists for pedagogical, engineering and pedagogical, and technical directions.
3. Innovative processes and learning technologies.
4. Application programming tools and software.
5. Information and intelligent systems, and technologies.
6. IT Project Management.
7. The organization of databases and data knowledge.
8. Cybersecurity and information protection.

Address and location:

Computer Technologies and Vocational Education Department, Lutsk National Technical University, 56, Potebni St., Lutsk 43018, Ukraine.

Conference Coordinator:

Vitalii Kabak

Tel.: (097) 775-03-15, (066) 373-43-79

Information about the conference:

Tel.: (063) 940-69-42 – (a coordinator of the scientific journal «Computer Integrated Technologies: Education, Science, Production»);

Tel: (066) 538-92-93 – (a coordinator of the scientific journal «Cherkasy University Bulletin: Pedagogical Sciences»).

E-mail: itonv@lntu.edu.ua

Conference website: <http://itonv.lutsk-ntu.com.ua>

Website of CT and VE Department: <http://ktpo.lutsk-ntu.com.ua>

The head of CT and VE Department:

Natalia Cherniashchuk – (095) 878-70-95

Rules for the conference:

The conference will be held from **23 to 25 May 2019:**

23 May – the registration of conference participants, plenary sessions, excursions;

24 May – section meetings;

25 May – continuation of the conference, summing up the results of the conference.

The full program of the conference with conference materials will be taken to the participants during the registration.

Participation forms:

- The plenary report – up to 20 minutes.
- The section report – up to 10 minutes.

Conference languages:

Ukrainian, English, German, Polish.

Conference materials:

Persons and organizations, who want to participate in the conference and give their reports to the conference program, and get the invitation, must file such documents to the organizational committee until 23 April, 2019: *application for participation* (a sample is attached), *abstract of the report* (2-3 full pages of A5 format) *and/or the article in one of the scientific professional editions* «**Computer Integrated Technologies: Education, Science, Production**» (technical sciences) or «**Cherkasy University Bulletin: Pedagogical Sciences**», and a payment receipt of the organizational fee. All documents must be sent to this e-mail: itonv@lntu.edu.ua.

The electronic letter should contain: file ***First and second name_application.doc*** with the application; file ***First and second name_abstract.doc*** with theses; file ***First and second name_payment.doc*** with the electronic copy of the check for payment.

Note. When you send the application, theses and the copy of the check for payment, you will necessarily get the message with our confirmation. If you haven't that confirmation, you must refer to conference coordinators (their telephone numbers are above).

Thesis format requirements:

The text of the publication (2-3 full pages of A5 format) must be made in the text editor of Microsoft Office Word 2010 (line spacing - single; font Times New Roman; size 12) and must be edited:

- ✚ left – UDC (normal font, size 12);
- ✚ through the line – **THESES TITLE** (center alignment, big letters, Bold font, size 14);
- ✚ through the line – First and second name of the author (center alignment, Bold font, size 12);
- ✚ the next line – work place (study), the position, scientific degree, academic rank, e-mail (center alignment, normal font, size 10);
- ✚ through the line – main text (width alignment, normal font, size 12, line spacing – single, without transfers);
- ✚ through the line after main text – **References** (center alignment, in the order in which they appear in the text, size 12);
- ✚ page options: all fields – 1,5 cm; paragraph indent – 1,0 cm;
- ✚ DO NOT number pages of the scientific work;
- ✚ Formulas must be printed in the center, which can be corrected later (Microsoft Equation Editor 3.0), alignment of equation number with the end of the line (right alignment). The size of formulas: main – 12; big index – 9; little index – 7; big symbol – 14; little symbol – 12;
- ✚ Tables form by the redactor Microsoft Office Word, subscribe: Table number. Title (Times New Roman, size 10, italics right alignment);
- ✚ Figures and graphics in the text are presented in the format *.jpeg, *.bmp, *.tif, *.gif, their subscribe must be italics; the figure, that was made by means of MS Word, must be necessarily grouped as an one object.

The responsibility for the truth of facts, references, own names, and text literacy is relied on the authors of materials. Theses will be published before the beginning of the conference (in printed form), and they will be posted (in electronic format) on the site <http://itonv.lutsk-ntu.com.ua> without additional editing.

Requirements for articles:

Conference participants can submit an article in one of the scientific professional editions except their theses (according to their preferences):

- **scientific journal** «**Computer Integrated Technologies: Education, Science, Production**» (the journal is the technical scientific professional edition and it is indexed with any of

these international databases: Index Copernicus Journal Master List, Open Academic Journals Index, Academic Resource Index ResearchBib, Rootindexing Information Matrix for the Analysis of Journals and RIC). Requirements for articles can be showed on this address: <http://ki.lutsk-ntu.com.ua>.

- ***Cherkasy University Bulletin: Pedagogical Sciences*** (the journal is indexed with any of these international databases: Index Copernicus, Research Bible, Scientific Indexing Services). Requirements for articles can be showed on this address: <http://ped-ejournal.cdu.edu.ua/index>.

After approving the article at the publishing, authors must pay 50 UAH for one page A4 (it is paid additionally to the organization fee). The scope of pages includes all article text, annotations and the information about authors. Graduate students, applicants, authors without academic degree must send the review on the article by a supervisor or someone expert.

The article text will not further correct and it is an original for making scientific works of the conference. Materials which don't meet the requirements and are send lately, will not be seen and returned to authors.

Articles (in one copy and in electronic form) and the copy of quittance with the organization fee must be send to 23 April, 2019.

Organizational questions and financial conditions:

The person, who wants to be in the participants list, must send the application for the conference participation to the Organizational Committee address to 23 April, 2019. The application form is in attached file *zajavka.doc* and it is posted on the conference site.

Organization fees:

The organization fee for conference participants with the academic degree – 200 UAH, for graduate students – 150 UAH. The organization fee includes the payment of organizational expenses and communication services, the use of apartments and some equipment, and the payment of the program, participation certificates and thesis collection publishing too. The dispatch editions with publications will be done with a request for authors. Unpaid materials will not publish and not return.

The organization fee for the conference participation is 100 UAH in the case of the article submission, not theses. The payment for the article is stand-alone with the separate account.

The details for the payment of the conference:

The organizing fee and publication costs must be transferred to the post office:

For the **ITESP-2019 publication**, Juliia Sachuk, the post office № 18, 63, L'vivska St., Lutsk 43018, Ukraine.

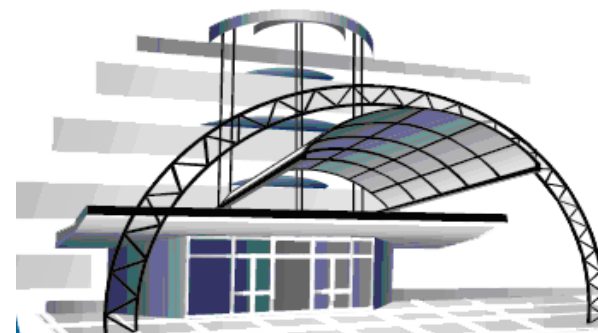

Accommodation of participants:

The estimated cost is 300 UAH per night. To this end, the Committee will ask to buy return tickets previously.

The rout to the conference:

The person can get to the conference from Lutsk train (railway) station to the station "Trolleybus management" (corps № 2, Lutsk NTU) by the bus № 4-A.
